PUBLIC SECTOR ADDENDUM

Exhibit P — Governmental and Public Entities

Version 1.3

H&A Security Solutions, LLC d/b/a Tellaro — 12178 N 1450th Street, Effingham, Illinois 62401

PUBLIC SECTOR ADDENDUM

This Public Sector Addendum (this "Addendum") is Exhibit P to the Master Subscription Agreement or the End User License Agreement — On-Prem, as applicable (the "Agreement"), between H&A Security Solutions, LLC, an Illinois limited liability company doing business as Tellaro ("Tellaro"), and the customer identified on the signature page ("Customer"). It applies when Customer is a Public Entity. Each provision of this Addendum applies only to the extent Applicable Public Law requires it; in all other respects, the Agreement applies unchanged. Capitalized terms not defined here have the meanings given in the Agreement.

1. DEFINITIONS

"Public Entity" means a state, county, municipality, township, special district, public school district, public college or university, or other governmental body or agency.

"Applicable Public Law" means the constitution, statutes, regulations, and procurement rules that govern Customer's authority to contract, as identified by Customer in writing on request.

"Fiscal Period" means Customer's fiscal year or other budget period for which funds are appropriated.

2. NON-APPROPRIATION

2.1 Right. If Customer's governing body does not appropriate funds for the fees due in a future Fiscal Period, Customer may terminate the affected Order Form effective at the end of the last Fiscal Period for which funds were appropriated, by written notice given at least thirty (30) days before that date, or as soon as practicable after the appropriation decision.

2.2 Conditions. The notice must certify that (a) funds were not appropriated despite Customer's good-faith request, and (b) Customer will not procure substantially similar services from another provider during the twelve (12) months after termination.

2.3 Effect. Customer will pay all fees for the Service through the effective date of termination. Fees already paid for that period are not refundable, and Section 5.4 (fee acceleration) of the Agreement does not apply to a termination under this Section 2.

3. TERM AND RENEWAL

If Applicable Public Law prohibits automatic renewal or obligations beyond the current Fiscal Period without further approval, each renewal occurs only by Customer's written

renewal order or purchase order, and the renewal-pricing cap in the Agreement continues to apply. Tellaro will send a renewal notice at least sixty (60) days before the end of each term.

4. TERMINATION FOR CONVENIENCE

Customer has no right to terminate for convenience.

5. GOVERNING LAW, VENUE, AND DISPUTES

If Applicable Public Law requires it, the Agreement is governed by the laws of Customer's state, and disputes are resolved in the state or federal courts with jurisdiction over Customer. The jury waiver, the one-year limitation on actions, and any arbitration requirement in the Agreement apply only to the extent Applicable Public Law permits. Nothing in the Agreement waives Customer's sovereign or governmental immunities or Tellaro's defenses.

6. INDEMNIFICATION AND LIABILITY

6.1 Customer Indemnity. Customer's indemnification obligations under the Agreement apply only to the extent Applicable Public Law permits. To the extent they are not permitted, Customer remains responsible, to the extent provided by law, for the acts and omissions of its officers, employees, and agents, including its obligations under Sections 3.4 and 3.5 of the Agreement.

6.2 Limitations of Liability. The limitations and exclusions of liability in the Agreement, including the cap and the data protection super-cap, remain in full effect except to the extent Applicable Public Law expressly prohibits them. Tellaro's obligations are not otherwise expanded by this Addendum.

7. PUBLIC RECORDS

7.1 Disclosure. Customer may disclose Tellaro's Confidential Information to the extent required by applicable public-records law. Before doing so, Customer will give Tellaro prompt written notice of the request and a reasonable opportunity to seek protection, and will assert the exemptions reasonably available to it.

7.2 Designated Information. Tellaro designates as trade secret, proprietary, and security-sensitive information (for example, under the exemptions in the Illinois Freedom of Information Act, 5 ILCS 140/7(1)(g) and 7(1)(v)): pricing and discounts; its SOC 2 reports and security documentation; the Documentation; detection content; and architecture and network information.

8. PAYMENT AND TAXES

Customer will pay invoices within the period required by any applicable prompt-payment statute (for example, the Illinois Local Government Prompt Payment Act, 50 ILCS 505, or the State Prompt Payment Act, 30 ILCS 540), and late-payment interest accrues at the statutory rate instead of the rate in the Agreement. Tellaro will not invoice taxes from which Customer provides a valid exemption certificate.

9. INSURANCE AND REQUIRED CERTIFICATIONS

Tellaro will provide a certificate of insurance on request. Additional-insured status or endorsements are provided only if agreed in writing and, where they require a policy change, at Customer's cost. Certifications Applicable Public Law requires (for example, drug-free workplace, non-discrimination, conflict-of-interest, or sanctions certifications) may be attached as Schedule 1, provided they do not change the Agreement's commercial terms, warranties, or liability provisions.

10. PUBLICITY AND DATA

10.1 Publicity. Notwithstanding Section 8.3 of the Agreement, Tellaro will not identify Customer as a customer without Customer's prior written consent.

10.2 Student Data. If Customer is an Educational Institution, the Student Data Privacy Addendum (Exhibit G) also applies.

10.3 Regulated Government Data. The Service is not designed or certified for Criminal Justice Information (CJIS), Federal Tax Information (IRS Publication 1075), or classified information, and Tellaro makes no FedRAMP, StateRAMP, or CJIS representation. Customer will not submit such data to the Service unless the parties sign a separate written addendum for it.

11. PRECEDENCE

This Addendum controls over any conflicting term of the Agreement or an Order Form, but only to the extent required by Applicable Public Law. Customer purchase orders and procurement forms do not modify the Agreement unless signed by Tellaro and expressly identified as an amendment.
